The Essence of Life*

"Food of the Gods"

Introducing

S O U L

SEEDS OF LIFE!!

**Black Raspberry Seed,
Chardonay Grape Seed, and
The Ancient "Black Seed" ...
... its botanical name "Nigella Sativa."**

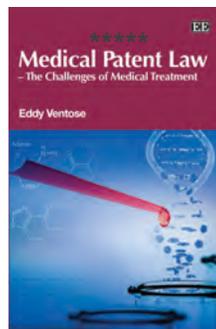

It is recorded in the Bible (Book of Isaiah 28:25,27v.)
And in Islam, Prophet Mohammed stated that the black seed can heal every disease except death (in the Hadith: Sahih Muslim: Book 26 Kitab As-Salam, Number 5489).

PATENTS!

Nigella Sativa

currently has five separate medical patents in the U.S. and the UK for the treatment of:

1. Inhibition of cancer cell growth (US 5,653,981)
2. Inhibition of cancer cell growth (US 5,653,981)
3. Improvement of the Immune System (US 5,482,711)
4. Viral Infections (US 6,841,174)
5. Psoriasis (US 6,531,164)
6. Asthma (UK - EP1709995)

RECENT STUDY

UNIVERSITY OF MARYLAND

Dr Lucy Yu , FDA Researcher from the University of Maryland concluded in her research that the black seed in Soul is

281 times stronger for reducing inflammation than aspirin, gram for gram.
-- Natural Pain Relief! --

Latest studies show that ***inflammation*** is a major cause of *disease, poor health, and pain.*

SOUL can be ordered from the following countries: United States, Canada, United Kingdom, Germany, Singapore, Malaysia, Indonesia, Taiwan Branch, 新加坡商天雨國際股份有限公司 台灣分公司, 台北市110信義區基隆路, Hong Kong, Hungary, Romania, and possibly more.

Thinking About Trying SOUL?

Still dealing with the pain? Taking Rx pain medications?
Want the pain to go away? -

Dr. Weeks, who has over 30 doctors using SOUL, with hundreds of patients already on it, says that when his patients take it orally, he gets 50% improvement within a few days, however, when they take it orally and put it on topically, they are getting 80% - 90% improvement.

Hear from Doctor Weeks in the first ten minutes of this call:

<http://www.byoaudio.com/play/WjrksBVQ>

If you're concerned about the safety of your current pain medications, and would like to be able to meditate free from pain, this could be your answer.

The recommended dose is 2 packs a day.

Once the pain is controlled, settle into two packs, or what ever works.

Start with 4/boxes - two for each of you . Or, a 2-month supply for one person. And with this \$260 4-box starter order, you can have a distributor account with no enrollment fee and save on shipping... people notice will your improvement. So, by sharing the news, you could offset the cost of your own SOUL. There is no autoship required, however it is recommended, to insure earnings.

Well, if you can only manage 1 box, but would like assurance that SOUL works, do like Melody did ... use your 30 packs at 3/day!

Doctors using the product are finding that when a person uses the SOUL topically, the results are 30% - 40% more effective for pain, skin disorders and tumors. The Soul works transdermally, *through the skin* like DMSO.

Therefore, after taking the product orally, open the package and put the residue on the area of pain. It goes right in. It is not sticky.

Sore Shoulder...put it on the shoulder

Fibromyalgia...Put on the place of most pain

Sore Feet...put on the feet where it hurts, etc.

- **Epilepsy:** Black seeds were traditionally known to have anticonvulsive properties. A 2007 study with epileptic children, whose condition was refractory to conventional drug treatment, found that a water extract significantly reduced seizure activity.[iv]
- **High Blood pressure:** The daily use of 100 and 200 mg of black seed extract, twice daily, for 2 months, was found to have a blood pressure-lowering effect in patients with mild hypertension.[v]
- **Asthma:** Thymoquinone, one of the main active constituents within *Nigella sativa* (black cumin), is superior to the drug fluticasone in an animal model of asthma.[vi] Another study, this time in human subjects, found that boiled water extracts of black seed have relatively potent antiasthmatic effect on asthmatic airways.[vii]
- **Acute tonsillopharyngitis:** characterized by tonsil or pharyngeal inflammation (i.e. sore throat), mostly viral in origin, black seed capsules (in combination with *Phyllanthus niruri*) have been found to significantly alleviate throat pain, and reduce the need for pain-killers, in human subjects.[viii]
- **Chemical Weapons Injury:** A randomized, placebo-controlled human study of chemical weapons injured patients found that boiled water extracts of black seed reduced respiratory symptoms, chest wheezing, and pulmonary function test values, as well as reduced the need for drug treatment.[ix]
- **Colon Cancer:** Cell studies have found that black seed extract compares favorably to the chemoagent 5-fluoruracil in the suppression of colon cancer growth, but with a far higher safety profile.[x] Animal research has found that black seed oil has significant inhibitory effects against colon cancer in rats, without observable side effects.[xi]
- **MRSA:** Black seed has anti-bacterial activity against clinical isolates of methicillin resistant *Staphylococcus aureus*.[xii]
- **Opiate Addiction/Withdrawal:** A study on 35 opiate addicts found black seed as an effective therapy in long-term treatment of opioid dependence.[xiii]
